## Worship at Antioch

The worship of the one true and living God is mankind's highest duty and greatest delight. Through Christ the living Word and by the call of the Holy Spirit, individual believers and churches approach God the Father in devotion and praise. The Father seeks those who will worship Him in Spirit and in truth. Do not content yourself with spectating, but rather join with the congregation in the singing of psalms, hymns, and spiritual songs. Pray along with the elders, adding your "Amen" to the prayers. Give joyfully to God in the corporate offering as an act of worship and sanctified self-denial. Listen attentively to God speaking in and through the reading and preaching of His inspired Word. May God the Father receive an acceptable sacrifice of praise through Christ the Son as we actively worship Him by the Holy Spirit.

We believe that the children of believers are not only a heritage from the Lord and a special gift to parents, but also members of God's church. Therefore, we involve children as participants in worship. The children of believing parents are to be students of the Christian Faith – even baptized disciples – from infancy, and thus are not to be excluded from the assembling together of the saints. However, until such a time as they can examine themselves of their being in Christ, such members of the church are to refrain from taking the Lord's Supper. If you are visiting today and not accustomed to children in the worship service, we thank you for your understanding and patience. If you are here today with young children, please exercise courtesy by using our training room or our childcare space as needed.

As for those wicked and ungodly men whom God, as a righteous Judge, for former sins, does blind and harden, from them He not only withholds His grace whereby they might have been enlightened in their understandings, and wrought upon in their hearts; but sometimes also withdraws the gifts which they had, and exposes them to such objects as their corruption makes occasion of sin; and, withal, gives them over to their own lusts, the temptations of the world, and the power of Satan, whereby it comes to pass that they harden themselves, even under those means which God uses for the softening of others.
